Public Notice - August 30, 2023

Pursuant to Policy IJLA, Fremont County School District #1 recently received a stakeholder complaint related to a particular title at the Lander Valley High School library. The book in question was *Let's Talk About It: The Teen's Guide to Sex, Relationships, and Being a Human (A Graphic Novel)* by Erika Moen and Matthew Nolan. Following a careful investigation, the book in question has been removed from use in the school district.
